SKILLS

Languages: C/C++, Java, Python, JavaScript, SQL

Technologies & Tools: AWS, EC2, MongoDB, S3, SQS, Lambda, Spring, Angular, ReactJS, Node.js(Basic)

OBJECTIVE

Computer Science Engineering (Artificial Intelligence) student with hands-on experience in building AI-based applications and web solutions. Seeking an entry-level role to apply skills in machine learning, NLP, and full-stack development to solve real-world problems while continuously enhancing technical expertise.

WORK EXPERIENCE

Academic Project Work 2025 – Present

Self-Initiated—AI Developer

- Developed a Siri-like AI virtual assistant using Python with NLP-based command processing.
- Built a Retrieval-Augmented Generation (RAG) chatbot using Ollama to provide context-aware responses.

Group Project – Ride Pooling App

Team Project— Minor Project

- Collaborated with a team to design and develop a ride pooling web application.
- Contributed to frontend-backend integration and implementation of core features Improved user experience and optimized ride matching logic.

Web Developer

Self Project — Personal Portfolio

- Designed and developed a responsive personal portfolio website.
- Showcased projects and technical skills with clean UI and structured layout.
- Tech: HTML, CSS , Javascript

EDUCATION

PARUL UNIVERSITY

Aug 2023 - Present

B.Tech in Computer Science Engineering (Artificial Intelligence)

CGPA: 7.6/10

PROJECTS

- **AI Virtual Assistant (Siri-like):**
 - Developed an AI-based virtual assistant using Python capable of performing basic tasks via voice/text commands.
 - Integrated multiple functionalities such as search, task automation, and basic conversation handling.
- **RAG-based Chatbot using Ollama(BASIC):**
 - Built a chatbot using Retrieval-Augmented Generation (RAG) approach with Ollama.
 - Integrated document retrieval with LLM responses to improve answer accuracy
- **Ride Pooling Application (Group Project):**
 - Collaborated in a team to design and develop a ride pooling Mobile application
 - Contributed to frontend/backend integration and core feature implementation
- **Personal Portfolio Website:**
 - Designed and developed a responsive portfolio website using HTML, CSS, and JavaScript
 - Showcased projects, skills, and contact information with clean UI design

AWARDS & CERTIFICATIONS

- AWS Certifications (AWS Academy)
- AI - Fundamentals (Networking Cisco Academy)
- Artificial Intelligence (IBM SkillsBuild)
- Event Head at Parul University(Projections - Gujarat largest techincal event)
